**Looking for Alice** Sian Davey,David Lee Chandler,2015 Looking For Alice by British photographer Sian Davey tells the story of her young daughter Alice and their family. Alice was born with Down's Syndrome, but is no different to any other little girl or indeed human being. She feels what we all feel. Their family is also like many other families, and Sian's portraits of Alice and their daily life are both intimate and familiar. She states: My family is a microcosm for the dynamics occurring in many other families. Previously as a psychotherapist I have listened to many stories and it is interesting that what has been revealed to me, after fifteen years of practice, is not how different we are to one another, but rather how alike we are as people. It is what we share that is significant. The stories vary but we all experience similar emotions. However despite the

normality, the underlying fact is that society does not acknowledge Alice as such, and her very existence was given little or no value. She entered a world where routine genetic screening at twelve weeks gestation is thrust towards birth prevention rather than birth preparation. Indeed, prior to the introduction of screening, children such as Alice would have been severely marginalised and ultimately institutionalised and given little or limited medical care. I was also deeply shocked when Alice was born as an 'imperfect' baby. I was fraught with anxiety that rippled through to every aspect of my relationship with her. My anxieties penetrated my dreams. On reflection I saw that Alice was feeling my rejection of her and that caused me further pain. I saw that the responsibility lay with me; I had to dig deep into my own prejudices and shine a light on them. The result was that as my fear dissolved I fell in love with my daughter. We all did.

Best friends Noah and Walt are far from popular, but Walt is convinced junior year is their year, and he has a plan that includes wooing the girls of their dreams and becoming amazing athletes. Never mind he and Noah failed to make their baseball team yet again, and Noah's crush since third grade, Sam, has him firmly in the friend zone. While Walt focuses on his program of jazz, podcasts, batting cages, and a "Hug Life" mentality, Noah feels stuck in status quo ... until he stumbles on a stash of old love letters. Each one contains words Noah's always wanted to say to Sam, and he begins secretly creating artwork using the lines that speak his heart. But when his art becomes public, Noah has a decision to make: continue his life in the dugout and possibly lose the girl forever, or take a swing and finally speak out. At the same time, American flags are being left around town. While some think it's a harmless

prank and others see it as a form of protest, Noah can't shake the feeling something bigger is happening to his community. Especially after he witnesses events that hint divides and prejudices run deeper than he realized. As the personal and social tensions increase around them, Noah and Walt must decide what is really important when it comes to love, friendship, sacrifice, and fate. *Swing*: is written by New York Times bestselling author and Newbery Medal and Coretta Scott King Award-winner Kwame Alexander Features a diverse array of characters and perspectives tackles the biggest social issues of today, including racial prejudice and Black Lives Matter is perfect reading for the classroom or community-wide discussions is a 2020 YALSA Quick Pick for Reluctant Young Adult Readers contains original artwork tied to the story If you enjoy *Swing*, check out *Solo* by Kwame Alexander and Mary Rand Hess.
